

Mr. David Uible
Chairman, Clermont Republican Party
2652 State Route 132
New Richmond, Ohio 45157.

September 16, 2015

This is to officially request the endorsement of the Clermont County Republican Party for Clermont County Commissioner for the 2016 primary election.

At the March 2015 Central Committee meeting I announced that I am running in 2016 and that I am seeking the endorsement of the Clermont County Republican Party.

I have served as County Commissioner since 2008. In that time, I have made myself readily accessible and available. I have worked for transparency in our county's government supporting our inclusion in the state "Open Checkbook" and our own "Open Financials" that includes revenue as well as expenditures.

I have focused on transportation as a driver of Economic Development and ultimately jobs. In 2011 and 2012 I was president of OKI the regional council of governments that funnels \$20 million into highway projects annually. I continue to serve OKI on the Executive Committee and Board of Directors.

I have applied technology to county problems. We upgraded the financial systems for the Auditor to state of the art software. We found a solution to mobile data communications for public safety allowing enhanced capabilities for Law Enforcement (Sheriff's Office, village and township law enforcement) and encouraged all Fire and EMS to join the network using mobile data computers. We upgrade to public safety radio system to P-25 platform that greatly enhanced local and regional mutual aid capabilities.

In 2011 I was elected by my fellow Ohio County Commissioners to serve on the Board of Directors of the County Commissioners Association of Ohio (CCAO) and last year I was elected 2nd Vice President, which puts me in line to be President in 2017. My active leadership in this organization ensures that Clermont County has a strong voice creation of appropriate state legislation. It also allows me to bring best practices from around the state and nation to Clermont County.

I have been an active republican serving on Central Committee including as Chairman of the Central Committee. I know many of the members of the central committee personally and look forward to their support.

Respectfully Submitted,
Ed Humphrey
Clermont County Commissioner
