

Proven Leadership for Clermont County

Humphrey files to run for re-election

BATAVIA – Clermont County Commissioner Ed Humphrey filed petitions Tuesday (Dec. 6) to seek re-election.

Humphrey, a commissioner for three years, is running in the Republican primary to be held March 6, 2012.

Humphrey originally ran for county commissioner after allegations of wrongdoing came to light against former Commissioner Mary Walker. He has delivered on his promise to bring honest, ethical government back to the office. Humphrey also has led the Board of Commissioners in helping to draw more than 1,550 jobs to Clermont County.

“I am proud of the things the county has accomplished in the last three years,” Humphrey said. “We have been able to create an environment that attracts large employers such as the University of Cincinnati and Jungle Jim’s grocery, as well as numerous small businesses. Those companies have created many jobs – at a time when many surrounding communities have not been so fortunate. I believe things are moving in the right direction in Clermont County.

“I look forward to four more years of serving the public so that Clermont County can remain a leader in the region when it comes to economic growth and job development,” Humphrey said.
